In Society and Technological Change, 7th edition, Rudi Volti brings his enthusiasm and expertise to the student. Comprehensive in his discussion of both historical and contemporary technological advance, Volti never fails to explore the societal implications of each technology he presents.

TECHNOLOGY & SOCIETY (Online) - Lakehead University  
Volti initially wrote Society and Technological Change because he couldn't find the right textbook for his course Technology and People at Pitzer College. The book was published just as social scientists were beginning to see the relationship between technology and society as a subject ripe for academic study and scrutiny.
