Software Engineering (7th Edition)  
Academia.edu is a platform for academics to share research papers.

An Introduction to Software Engineering  
The seventh edition of Software Engineering: A Practitioner's Approach is intended to serve as a guide to a maturing engineering discipline. The seventh edition, like the six editions that preceded it, is intended for both students and practitioners, retaining its appeal as a guide to the industry professional and a comprehensive introduction to the student at the upper level undergraduate or first year graduate level.
