You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle.

Software Engineering A Practitioner's Approach 7th Edition ...

The objectives of this seventh edition are to include new material on iterative software development, component-based software engineering and system architectures, to emphasize that system dependability is not an add-on but should be considered at all stages of the software process, and not to increase the size of the book significantly.
