LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier ' s Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Solex spares and repair | Solex Service Ad van Heerbeek
Later, under this name, the Solex was built as a motor assisted bicycle. As on any transportable, the carburettor is an important part. The solex carburettor doesn ' t wear out quickly. It regularly happens that the nozzle of the Solex carburetor is clogging, especially when there is dirt in the fuel tank.
