Solutions Manual (Are they a help or not?) | Physics Forums

The solutions manual has the answers to all the odd number questions in the book, which are also located in the back of the textbook. However, in the solutions manual, Dr. Lavelle explains how to get each answer and includes his work (which is definitely not in the back of the book).

Bioprocess engineering solution manual

However, no solution manual is available. The purpose of this site is therefore to serve as a forum where interested students, academics and scientists can submit, consult and discuss solutions to the problems presented in the book. Copies of the book can be ordered directly from the publisher.
