Sony Bloggie Operating Manual

Sony® product warranty information, including what is covered by the warranty, is part of the documentation inside the box for each Sony product. The warranty may be on a separate card or as part of the Primary User Manual (usually the User's Guide or Operating Instructions). Electronic copies of the warranty card, primary user manual, and ...

What is covered by the Sony warranty? | Sony USA

Note: Because there are many different video capture applications on the market, Sony is unable to provide specific instructions or support for software we do not manufacture. However, many video capture applications have detailed help files, including specific instructions about capturing and importing video from a camcorder to a computer.
