## Download File PDF Spectrum A Communicative Course In English Level 6 Student Workbook

There are, of course, challenges for people on the autism spectrum when it comes to communication. These can be minimal – like learning to recognise social cues – or impact significantly, making all forms of communication challenging.

Spectrum: Communicative Course In English Level 1 | Donald R  
The autism spectrum is an umbrella term covering a range of neurodevelopmental conditions referred to as autism spectrum disorder (ASD). The word spectrum is defined in the Diagnostic and Statistical Manual of Mental Disorders to cover a wider group of conditions and differences in the type and perceived severity of symptoms, a trend which developed in the 1980s; an alternative term, autism ...
