through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone.

Buell Motorcycle Forum: Why no Buell-powered Sportsters? Buell motorcycles built with variants of the Sportster engine have used a rubber mount system since 1987. The Model K, from which the Sportster evolved, was the first civilian motorcycle produced by Harley-Davidson with hydraulic shock absorbers on both wheels. Common usage calls this a K Model.

S&S COMPLETE 100CI ENGINES FOR SPORTSTER OR BUELL - Zodiac

For Nena's sprint racer, they decided to create a hooligan tracker built for drag racing, shoehorning the 100-hp, high-compression V-twin from a 2004 Buell XB12 into the frame of a 1987 Sportster, complete with a giant FCR41 MX carb. Not surprisingly, retrofitting the Buell engine into the
