mifi user manual can be taken as well as picked to act.

Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

Sierra Wireless™ 4G LTE Tri-Fi Hotspot

I was thinking about getting a MiFi, but in reading the Terms and Conditions I noticed that those of us not in a 4G area get punished with a 3G cap of 5 GB's. Since I don't live in a 4G area and have no control over 4G deployments, why do us 3G folks get punished
