Station Breaker - Kindle edition by Mayne, Andrew. Mystery ...  
'Station Breaker' is the first book by this author I have read but it won't be the last. It is a whirlwind, white-knuckle ride (and ride is the correct description) from start to finish. Like our slightly nerdy hero I wasn't quite sure what was going on and right to the end the surprises kept coming.

What is Circuit Breaker Testing and How is it Done ...  
The 2nd book in the series does have a separate story arc, but that story doesn't start until a few chapters in. It would have been very easy to take the first few chapters of 'Orbital' and put them at the end of 'Station Breaker' and both books would have each been complete. But both books are pretty great, so it's not a dealbreaker.
