For courses in Business Statistics. A classic text for accuracy and statistical precision. Statistics for Business and Economics enables students to conduct serious analysis of applied problems rather than running simple “canned” applications. This text is also at a mathematically higher level ...

Statistics for Business and Economics, Student Value ...  
Statistics for Business and Economics is a textbook. This is the main issue with reading one of these things; a textbook is written to inform, not to entertain. Therefore, the standards and ideals that one uses to review such a book have to change a bit.
