Taken seriously, Stewardship will cause you to think. The book has some good points - I appreciate Block's ideas of choosing stewardship over self-interest, personal accountability, and building community. I found several golden nuggets we can use with teams. And, thanks to the author, I do look at stewardship differently now.

Stewardship Choosing Service Over Self

Block's intentions in Stewardship are good, to provide a method for organizations to choose service over self-interest, but I found his assumptions remarkably narrow-minded. The ideals of his stewardship model call for a certain type of employee - a passionate, driven, and largely entrepreneurial employee.
