There are times as a writer when you are hit by an idea that really knocks your socks off. When that happens, you get down on your knees and thank your lucky stars. Stranded was that kind of story for me. There are many plot points that have been used again and again. I'm not saying there is anything wrong with them, they work.

This really is a great book, though some of it is hard to read. Andrew Grey does a great job of showing us both the best and worst of humanity in Running To You. This story is so relevant to our world today, I found myself comparing some of the bully tactics used here to ones we see every day on the news.

actually more than one, because these are noble men and that's what noble men do. This is another great story by Andrew Grey. I have no idea how he creates these books that are each unique and never from a cookie cutter formula but I'm so glad he does.

### **Stranded - Andrew Grey**

The blurb of Stranded intrigued me. I wasn't sure how well it would work in something longer than a short story. Lucky for me, Andrew Grey knew exactly how to approach it and make it interesting and enjoyable. This is my first Andrew Grey novel. I have to say I found Grey's writing like lube for the eyes. It eases you right in to the story.
