The Architecture of Open Source Applications: Berkeley DB

For today's blog post, I'm going to write about my favourite topic of all, site architecture for SEO. This write up is based on my recent presentation at SES London 2011, and rather than just posting the slide deck I thought it might be fun to write up a few of the slides with a commentary for each.. To help me recall all of the points I made, I'll imagine myself stood at a podium with ...
