products for construction industry professionals by more than 40 years. The National Building Specification is the recognised UK national standard and is used by over 5,000 organisations.

Successful Contract Administration:  
For Constructors and ...

Good contract administration is fundamental to the effective functioning of any construction contract; however, the role of the contract administrator is often given inadequate attention until a serious problem arises. To be effective, contract administration must be prioritised from the outset of the project.
