1. A complement is a word or a group of words that complete the meaning of the verb. There are four kinds of complements: direct objects, indirect objects, object complements, and subject complements. 2. A direct object answers what? or whom? after an action verb. Sammi ate the turkey. (Sammi ate what?) Carlos watched his sister in the school play.

Solutions Upper-Intermediate Workbook Key

All worship services and the business session of annual conference will be livestreamed on the conference website and facebook page. After exploring options with many churches across the conference, it has been determined that offering regional sites where persons could gather in small numbers to access the internet for electronic voting will not be workable for this annual conference.
