Sutton Hoo - Wikipedia

Sutton Hoo. The burial, one of the richest Germanic burials found in Europe, contained a ship fully equipped for the afterlife (but with no body) and threw light on the wealth and contacts of early Anglo-Saxon kings; its discovery, in 1939, was unusual because ship burial was rare in England.

Unseen photographs of 1939 excavation of Sutton Hoo ...

Sutton Hoo. The discovery of rusty lumps of iron again indicated a ship-burial. Brown worked out that traditional excavation methods – trenches through the sides or the middle of the mound – would destroy the ‘ ship ’, for it consisted of nothing more than lines of small rusty objects (rivets) and stains in the sand.

We have studied places from all over the world, from the Valley of the Kings in Egypt to the Mississippian Mounds and even parts of Stonehenge. Another famous archaeological burial site in England can be found in Suffolk. This site is called Sutton Hoo because of the estate on which is it found.

Stories behind Sutton Hoo - A Bit About Britain

THE SUTTON HOO SOCIETY, a registered charity, was formed to support the work of the Sutton Hoo Research Project (director Prof. Martin Carver, University of York). An archaeological excavation and research programme was undertaken between 1983 and 1992. Part of the Society ' s early role was to guide visitors round the excavation.

Sutton Hoo helmet - Wikipedia

Secrets of Sutton Hoo. Sutton Hoo is best known for the elite Anglo-Saxon cemetery excavated there in the 1930s, but more recent campaigns tell an even richer tale. The royal burials sprang from an earlier cemetery, and were followed by dozens of graves of execution victims. How does the sequence track the journey of Anglo-Saxons,...

a Very Important Person who died in the early seventh century, during the Anglo-Saxon period.

Sutton Hoo - World Archaeology

The Sutton Hoo helmet is a decorated and ornate Anglo-Saxon helmet found during a 1939 excavation of the Sutton Hoo ship-burial. It was buried around 625 and is widely believed to have belonged to King Rædwald of East Anglia; its elaborate decoration may have given it a secondary function akin to a crown. The helmet was both a functional piece of armour and a decorative, prestigious piece of extravagant metalwork.

Sutton Hoo | archaeological site, Suffolk, England, United ...

AD 700 – Sutton Hoo. A ship was hauled up from the river, a burial chamber was erected in the middle of it, and a stupendous collection of magnificent objects – gold and silver brooches and dishes, the sword of state, drinking horns and a lyre – was set in the burial chamber.
