I just bought a 2002 jr 50 for my daughter, and am fairly new to this club/lifestyle embarrassed to say, but true. Anyhow, i have a couple questions that seem to be the only ones not covered on any topic forum ANYWHERE. I see that there is a resevoir tank for the oil, then the oil tank with no dip...

Amazon.com: 50cc engine 2 stroke

There was a 50cc Suzuki several years ago, a three-cylinder two-stroke (naturally) with 14 speeds and 22 hp at a zillion rpm, or something like that. Nothing the Europeans had was anything close. Not sure that it ever competed. This changed the rules, gearboxes were limited to four or five speeds, and only single-cylinders were allowed. Yes, Cycle World had a story on it, and photos of the engine internals - three little tiny pistons hanging out of the cases.
