Over the years, his company has been successful, but as time passed, and Suzuki realized that he would have to diversify if it wants to stay in business.. He moved on to the construction of cars and began to develop its prototype in 1937.

Suzuki Workshop and Owners Manuals - Free Car Repair ...

The fact is that no car is indestructible, and big problems often start out as smaller problems that get ignored. To make sure that you do not fall into this trap, it is essential to find a good service manual from which to diagnose - and, if possible, fix - any problems that occur with your Suzuki automobile.
