Having owned both motors, the G16A and the G16B. I think its better to upgrade to a G16B, than stuff around with the other stuff trying to improve the G16A.

The difference between the two is night and day IMO,

Download Ebook Suzuki Vitara G16a Engine

and you'll have better economy with the G16B. The G16B i had with 300,000kms was far better than the G16A with half the km's on it.
