Franck Thilliez (Author of Syndrome E) - Goodreads

Syndrome E is an (ultimately barely) passable B-thriller. It doesn't help that English-speaking readers can't see Lucie and Franck as

the more fully-developed characters those who have been able to read their previous adventures probably do, but even so Thilliez makes an excessive mess of his somewhat promising material.

Chief Inspector Franck Sharko is a medicated mess. His wife, who died with their daughter in a horrific accident, appears to him in taunting visions; he runs toy trains in his apartment to blot out sounds in his head. But he's a lot better off than five men who were buried with the tops of their heads cut off and their brains removed.

Le Syndrome [E] - Livre de Franck Thilliez

Already a runaway bestseller in France, Syndrome E tells the story of beleaguered detective Lucie Hennebelle, whose old friend has developed a case of spontaneous blindness after watching an extremely rare - and violent - film from the 1950s. Embedded in the film are subliminal images so unspeakably heinous that Lucie realizes she must get to the bottom of it - especially when nearly everyone who comes into contact with the film starts turning up dead.
