Live Aboard Boats for sale - SmartMarineGuide.com
"Oberlin" was an idea before it was a place." It began in revelation and dreams: Yankees' motives to emigrate west, attempting to be perfect in God's eyes, "educating a missionary army of Christian soldiers to save the world and inaugurate God's government on earth, and the radical notion that slavery was America's most horrendous sin that should be instantly repented of and immediately ...

FIXED - Oven taking way too long to preheat ...
This is a black metal part (Width 13 inches, length 16.5 inches, depth 1-1/2 inches) which can be installed onto your range with a screwdriver. Installation is rated as "medium" difficulty. This element is the part that heats to allow cooking, and if broken or missing you'll be unable to cook. This part attaches to the lower section of the range.

Tappan Gas Range Owners Manual
Our Kenmore Electric oven (790.94469700) has started taking a very long time to preheat - we timed it today at 35 minutes to get to 350. I think it holds the temp okay once it gets there, it just takes it an extra long time to get there. Jury is still a bit out on the temp holding, but we think...
