In a nutshell, language
teacher cognition can be
generally defined as what
the language teacher thinks,

Online Library Teacher Cognition And Language Education Research And Practice Simon Borg

knows and believes about things relevant and exclusive to language teaching. Moreover, it can be characterized often as a tacit, personally-held, practical system of dynamic mental constructs that are

Online Library Teacher Cognition And Language Education Research And Practice Simon Borg

refined on the basis of
educational and professional
experiences all throughout a
teacher's life.
