*Growing up is hard to do.  
The challenges that a child  
must deal with throughout  
the life cycle are  
overwhelming. Children must  
deal with physical,  
emotional and psychological  
changes as they grow. There  
is no manual for growing up.  
In western society there are  
so many options given to  
children that they often  
feel confused and lost.*
