Beginning Test-Driven  
Development in Python  
by Andrea Koutifaris  
Test driven development  
has become popular over  
the last few years. Many  
programmers have tried

# Download Ebook Test Driven Web Development With Python Django

this technique, failed, and concluded that TDD is not worth the effort it requires. Some programmers think that, in theory, it is a good practice, but that there is never enough time to really use TDD. And others think that it is basically a waste of time.
