6) Indicate to the accompanist whether or not you want them to rift at the beginning of your 16 bar song (repeat until you come in). Once you get through your first theater audition the rest should be a piece of cake. Just follow the same logical steps each time. Think things out and of course, go well prepared to the audition.

Most large audition calls for musical theatre, both professionally and in larger school situations, specify that those auditioning bring in a 16 bar excerpt. The professionals in musical theatre often complain that singers don't know how to construct an appropriate 16 bar audition, either in choosing a song or in editing an excerpt.

How to Find Your Perfect 16 Bars

Most theatre kids first hear this term when they're auditioning for a musical and the casting break down requests a '32 Bar Cut' or a
