The Concept. *The Advantage* provides readers with a groundbreaking, approachable model for achieving organizational health. Organizational health is about making a company function effectively by building a cohesive leadership team, establishing clarity among those leaders, communicating that clarity to everyone within...

Organizational Health Products | The Table Group
Keller & Price define organizational health as “the ability of an organization to align, execute, and renew itself faster than the competition to sustain exceptional performance over time”. They are not hippy new-age management philosophies. Their research shows that half of a company’s long-term financial success is driven by its health.
