The Air Between Us Deborah  
The Air Between Us is a novel that attempts to cross a lot of divides. Not only does the story itself address those notions of self that divide us (race, gender, class), but the format of the novel attempts several different genres (it's part mystery, part medical drama, part social history of a small town in the deep South during the Civil Rights era).

Revere, Mississippi, with its population of "20,000 and sinking" is not unlike most Southern towns in the sixties. Black people live on one side of town and whites live on the other. The two rarely mix, or so everyone believes. But the truth is brought to the forefront when Billy Ray Puckett, a white man wounded while hunting, shows up at the segregated Doctors Hospital. No one thinks much of ...
