Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example).

The Melting Pot of Atomic Research — 400 Years - 400 Stories

" Once when Alladi was relaxing in the verandah at home a very rich client from the mofussil came there to entrust a case to him. Finding Alladi in a simple homely Indian attire, the visitor insisted on his request to meet Alladi until his son Alladi Kuppuswamy(later Chief Justice of the Andhra Pradesh High court) was able to convince him that the person who was seated in the verandah and to ...

The Alladi Diary Ekamra Nivas

The stately Ekamra Nivas on Luz Church Road was the venue for a series of seminars. No doubt, this scientist has a great life story to tell and tells it with flair. Ramakrishnan's father Sir Alladi Krishnaswami Aiyar, was the Advocate General of Madras, later working with B.R. Ambedkar to draft India's constitution.

The Alladi Diary: Memoirs of Alladi Ramakrishnan by ...

Usually one keeps a diary for (1) self-reflection, (2) honestly express thoughts, feelings and be an outlet for emotions (3) to get a new perspective and (4) to record and recall events and issues. This Alladi Diary touches on criteion (4) somewhat superficially most of the time. Overall, this book is a waste of time (and money).

Madras Musings - We care for Madras that is Chennai

In the summer of 1958, Alladi Ramakrishnan returned to his elegant bungalow, Ekamra Nivas, in Madras after an unpaid sabbatical in the United States. The young Reader from the University of Madras had spent a year at the Institute for Advanced Study, in Princeton, at the invitation of its director, J Robert Oppenheimer, remembered as the father of the atomic bomb.
