The American Revolution: A History (Modern Library ...

Author and Harvard professor, Bernard Bailyn argues in his book, *The Ideological Origins of the American Revolution*, that one of the underlying causes of the American Revolution was a growing belief among colonists that the British government was secretly conspiring to create an autocratic government in which the King would have unlimited power.

History: The American Revolution 1776 Documentary

In 1763, many British Americans were proud to be part of the most powerful empire in the history of the world. In that year, a peace treaty between Britain, France, and Spain ended the Seven Years' War. This victory gave Britain an empire that stretched around the globe, including all the lands east of the Mississippi River.

The American Revolution: A History - free PDF, CHM, EPUB, FB2

The American Revolution was far more than an uprising of discontented colonists against the British king. It was a world war that involved multiple nations fighting battles on land and sea around the globe. This broader conflict ultimately determined the outcome in America.
