Now that you've learned how to analyze current trends and find lucrative opportunities, you are ready to turn strategic disruption into your ultimate financial advantage. "A MUST READ" The Anticipatory Organization teaches you how to elevate your planning based on the Hard Trends that are shaping the future, and how to accelerate your results.

The Anticipatory Organization

The book, about anticipating disruption in a time of exponential technological and business change, rather than be waylaid by it, lays out a framework, a trademarked system known as the Anticipatory Organization (AO) model. The book is the static part to whet an organization's appetite.
