Institute

Projects. A place to talk about your firearms-related projects. Gardening (and your prized petunias) are likely topics best reserved for another venue.

Art and Science Books • Stronger by Science

Traditionally, art and science have been treated as two separate disciplines, but when they are studied together it's clear to see the impact one has on the other. A great deal of creativity is required to make scientific breakthroughs, and art is just as often an expression of (or a product of) scientific knowledge.
