The Art of War is an ancient Chinese military treatise dating from the Late Spring and Autumn Period. The work, which is attributed to the ancient Chinese military strategist Sun Tzu, is composed of 13 chapters. Each one is devoted to an aspect of warfare and how it applies to military strategy and tactics. For almost 1,500 years it was the lead text in an anthology that

Dominance and submission -  
Wikipedia

The definition of art has been debated for centuries among philosophers. "What is art?" is the most basic question in the philosophy of aesthetics, which really means, "how do we determine what is defined as art?" This implies two subtexts: the essential nature of art, and its social importance (or lack of it).

I'm a senior in high school and I decided to take Intermediate Counting & Probability because I'd never been exposed to problem-solving math before, let alone discrete math. Now, I feel ready to take the 400-level combinatorics sequence at college in a few months, and my problem-solving skills have improved a lot.
