## **How to Iron a Dress Shirt Properly | The Art of Manliness**

Upscale or down-to-earth, sleek or rugged, casual clothes are your clothes for you. They're the expression of your personal style outside of any external dress code, when no one else is defining your style for you, and the choice of what to wear is entirely your own. Unfortunately, this freedom can be a little frightening.

If you're going to pack your dress shirts for a week's worth of travel, don't waste your time ironing the shirts beforehand. Pack them normally and allot 15 minutes upon arrival to iron them when you arrive in your hotel room. Anytime you are using a questionable iron that may leave marks, turn the shirt inside out and iron the backside only.

The dresses were held up by one or two straps and were worn down to the ankle, while the upper edge could be worn above or below the breasts. The length of the dress denoted the social class of the wearer. Beading or feathers were also used as an embellishment on the dress. Over the dress, women had a choice of wearing shawls, capes, or robes.
