The Art of the Long View - Peter Schwartz - Google Books
Book Review: The Art of the Long View. Michael Burnam-Fink January 30, 2012 0. I've been calling myself a futurist for the past five years, and for five years, I've been lying. But no longer, because I've read this book, which is every bit as a thought-provoking as Science Fiction for Prototyping proved disappointing.

The Art Of Long View
The Art of the Long View by Peter Schwartz is mainly a training guide for scenario planning. It does not give step-by-step instructions without the reader having to go through the whole book. The book is an easy read but starts out in the first chapter or two seeming like an info commercial trying to set the foundation of the product right before the viewer (or reader) changes the channel.
