7 Powerful Lessons Sun Tzu can teach you about Strategy. Having a well founded strategy is necessary to win the battle for your customer's attention, and win the war within your respective marketplace. I am a big fan of studying history and the great leaders, philosophers and strategists of the past.

7 Powerful Lessons Sun Tzu can teach you about Strategy ...

Strategy (from Greek ?????????? strat?gia, "art of troop leader; office of general, command, generalship") is a high level plan to achieve one or more goals under conditions of uncertainty. In the sense of the "art of the general", which included several subsets of skills including tactics, siegecraft, logistics etc., the term came into use in the 6th century C.E. in East Roman terminology, and was translated into Western vernacular languages only in the 18th century.

The Art of Strategy (Audiobook) by Barry J. Nalebuff ...

The Art of War is an ancient Chinese military treatise dating from the Late Spring and Autumn Period. The work, which is attributed to the ancient Chinese military strategist Sun Tzu, is composed of 13 chapters. Each one is devoted to an aspect of warfare and how it applies to military strategy and tactics. For almost 1,500 years it was the lead text in an anthology that would be formalised as the Seven Military Classics by Emperor Shenzong of Song in 1080. The Art of War remains the most influe

The Art Of Strategy A

Strategy, as the book title suggests, is more of an art when you don't have a lot of data on probability. I found this book was really good when thinking through decisions a coach or manager would make in sports, such as when to go for two-points instead of one, how to decide which way to kick on a penalty kick.
