Full Text - The Ascent of Humanity

*More than any other species,
human beings are gifted with the
power to manipulate their
environment and the ability to
accumulate and transmit
knowledge across generations.
The first of these gifts we call
technology; the other we call
culture. They are central to our
humanity. Accumulating over
thousands of years, culture and
technology have brought [...]*

*The Ascent of Humanity is about
the history and future of
civilization from a unique
perspective: the evolution of the
human sense of self. This book
describes how all the expressions
of our civilization—its miraculous
technology as well as the pillage
of earth, culture, goodness, and
beauty—arise from our identity,
our way of being, "the discrete
and separate self".*
