**Amazon.com: Customer reviews: The Big Book of Adventure ...**  
Our 3 year old daughter takes this book everywhere with her. She loves all the stories in the Big Book. We read at least two of them every night before bed. Anything that gets your child so excited about reading is a great book. We have to cut her off and tell, "No we can read more tomorrow." And then we do.

The Big Book of Adventure Stories edited by Otto Penzler is a collection of short stories mostly from the pulp era of literature. The stories deal with brave heroes who must survive in a vicious world were life is cheap and daring is rewarded. I will write a short response to every story except The Devil in Iron which I dealt with elsewhere.
