The Birth Of Modern World

Covering the period 1780–1914, *The Birth of the Modern World* shows how events in Asia, Africa, and South America – from the decline of the eighteenth-century Islamic empires to the anti-European Boxer rebellion of 1900 in China – had a direct impact on European and American history. And conversely, how the “ripple effects” of crises such as the European revolutions and the American Civil War worked their way through to the rest of the world.
