The Black Death: A Personal History by John Hatcher ...

Community Reviews. The Black Death is, the author argues, a docudrama - not a history, nor a work of literature, but something between the two. (I suspect he had in mind a BBC reconstruction of the events of the time, the kind of thing that would show up on PBS.) As such it's hard to find an appropriate response.

Middle Ages Hygiene - Lords and Ladies

The Black Death, 1348. The experience inspired him to write The Decameron, a story of seven men and three women who escape the disease by fleeing to a villa outside the city. In his introduction to the fictional portion of his book, Boccaccio gives a graphic description of the effects of the epidemic on his city.

The Black Death Actually Improved Public Health | Smart ...

The Black Death did not afflict all major European cities and towns on principal trade routes. For reasons that are difficult to explain, cities such as Milan and Douai in Flanders, both major hubs of commerce and industry, appear to have escaped the Black Death in 1348 almost totally unscathed. In the case of Milan,...
