African American life during the Great Depression and the New Deal The Great Depression of the 1930s worsened the already bleak economic situation of African Americans. They were the first to be laid off from their jobs, and they suffered from an unemployment rate two to three times that of whites.

**The Blackest Streets Life And**  
The Blackest Streets is also valuable because it refuses the trend of much recent popular history, by asserting a socio-political context to the lives and events that she records. The nineteenth century was of course a time of political radicalism and Wise succeeds in animating the different political currents that flowed through the area.
