The Bogleheads' Guide to Retirement Planning (Audiobook ...

But The Bogleheads' Guide to Retirement Planning is the first book I've read that's "all you need to know about planning for retirement." Note the distinction: This book is not about saving/investing for retirement. It's about planning for retirement (and everything that's a part of such planning). The best part about the book, in my opinion, is the breadth of topics covered.
