choosing what to read.

*The Bone House by Brian  
Freeman (Cab Bolton #1)  
The Cab Bolton series, this  
is Book 1, has promise. It  
may eventually be as good as  
Brian Freeman's Jonathan  
Stride series. The Bone  
House is a good detective  
mystery/thriller with lots  
of suspense unless one pays  
very close attention to the  
first hour of the novel  
which gives away the ending.  
My 4 star rating may be a  
bit generous.*
