Partners in Resilience

The Chemistry of Calm outlines a clear, holistic program for coping with fear and anxiety in much the same way my first book, The Chemistry of Joy, offered steps for overcoming depression. This book focuses on ways to create innate health and resilience as a key to resolving anxiety in everyday life—from the ordinary to the extreme.

The Chemistry of Joy - OK Virtual Library - OverDrive

The Chemistry of Joy Workbook is a unique and helpful 10-week program for people suffering from depression. This workbook gives readers a comprehensive, linear plan to follow, rather than a jumbled series of tips or suggestions like some other depression self-help workbooks.
