Has anyone seen the cover for Massie in The Clique Summer Collection? I for one did NOT imagine her at all that way. I thought her hair was shorter, straight and with bangs over her left eye! ..Is that that a model of a random girl, or is that how Massie is supposed to look. PS. Is that who is going to act for her in the movie!?

This was a cute, little novel. I love The Clique series but singling out one character made it oh-so-much juicier. The romance in this book was cute, although I do NOT know and 7th graders who can flirt like that. The catty girl drama was fantastic and Svetlana's accent was uber funny. A must read for younger readers.
