Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

The Command of the Ocean: A Naval History of Britain, 1649 ...

The Command of the Ocean describes with unprecedented authority and scholarship the rise of Britain to naval greatness, and the central place of the Navy and naval activity in the life of the nation and government. It describes not just battles, voyages and cruises but how the Navy was manned, how it was supplied with timber, hemp and iron, how its men (and sometimes women) were fed, and above ...

The Command of the Ocean eBook door N A M Rodger ...

Command of the sea (also called control of the sea or sea control) is a naval military concept regarding the strength of a particular navy to a specific naval area it controlled. A navy has command of the sea when it is so strong that its rivals cannot attack it directly. This dominance may apply to its surrounding waters (i.e., the littoral) or may extend far into the oceans, meaning the ...
