The Interdependency, humanity's
interstellar empire, is on the verge of
collapse. The Flow, the extra-dimensional
conduit that makes travel between the stars
possible, is disappearing, leaving entire
star systems stranded. When it goes, human
civilization may go with it - unless
desperate measures can be taken.

The Consuming Fire (Audiobook) by John Scalzi | Audible.com

Consuming Fire builds off of the world created in book 2 and gives us a fun adventure that's very much a Scalzi book, meaning the characters have a wry-to-snide sense of humor. His books are driven as much by character and dialog as they are the plot, and in Consuming Fire this really shines through.
