The Disciplined Trader™ helps you join the elite few who have learned how to control their trading behavior (the few traders who consistently take the greatest percentage of profits out of the market) by developing a systematic, step-by-step approach for winning week after week, month after month.

The Disciplined Trader : Developing Winning Attitudes by ...

Mark Douglas is a trader and as such this book captures his thoughts on his trading performance and shows the lessons he learned from his failures and successes. A great book and definitely in my top 10 when it comes to the psychology of trading.

The Disciplined Trader: Developing Winning Attitudes by ...

Bulk of the book is more focused on the self-development, psychology and philosophy to a successful life (not so much trading specific). There were parts where I found the book quite boring but the last few chapters had some good points, such as practical tips on how to develop yourself as a successful trader.
