Jesse Bullington: The Enterprise Of Death. His sophomore novel, The Enterprise Of Death, is set in 15th-century Europe—but rather than depicting the events of the era as some stuffy epic, the book inverts the grandiose and gazes at the milieu's filthy underbelly. Columbus is "that dreadful Genoan sailor who hung around Isabella like a fly...

The Enterprise of Death by Jesse Bullington

The Enterprise of Death is an interesting commentary on whether it is better, or perhaps just more fun, to struggle with life or succumb to that of the undead. The story is a fun romp across medieval Europe, concerning itself with issues still faced today like witch-hunts, war and disease, finding love, and whether cooked human really tastes like pork.
