***The Ethics of Invention | Sheila Jasanoff | W. W. Norton ...***

***In The Ethics of Invention, Technology rules us as much as laws do. It shapes the legal, social, and ethical environments in which we act. Every time we cross a street, drive a car, or go to the doctor, we submit to the silent power of technology. Yet, much of the time, the influence of technology on our lives goes unchallenged by citizens and our elected representatives.***
